Single Family on 0.00 Acres

Beverly Heights, Edmonton, AB

Well-maintained and professionally cleaned, this lovely home is move-in ready. There are lots of updates here, like granite counters, refaced kitchen cabinets and modern bathrooms. The main floor is carpet-free and has vinyl windows. The house shingles were changed (2017), furnace (2004), hot water tank (2020), and the newer panel is 100 amp. The basement has a huge rec room with a wood-burning fireplace. This 50 x 120 lot has a fully-fenced SOUTH FACING back yard which features a 2-tier deck with wiring and plumbing for a hot tub. There's so much extra parking here! The front driveway (with new rubber asphalt) holds 3 vehicles and allows you to pull up to the side door. Behind the garage is another 32' of driveway for RV parking, plus the rear gate opens up for even more RV parking in the yard! This home is only one block to Ada Blvd, one of Edmonton's most beautiful walking routes along the river valley.
